No terminal disclaimer is believed to be required.

Submitted herewith are the following:

(d) a copy of the electronic database docketing records for application file 30552/38911A (U.S. Patent Application No. 10/612,652) showing that an issue fee payment has never been docketed because the February 9, 2005 notice of allowance was never received (attached hereto as Exhibit "D");

(e) a statement by Richard H. Anderson (the "Statement"), the practitioner for this application, attesting on a personal knowledge basis that the February 9, 2005 notice of allowance was never received (attached hereto as Exhibit "E").

Applicants submit that the guidelines for granting a "Petition to Withdraw Holding of Abandonment" outlined in chapter 711.03(c)(I) of the Manual of Patent Examining Procedure have been satisfied. In accordance with 37 C.F.R. § 1.181(f), this paper is timely filed, as it is being submitted within two months of the mailing date of the notice of abandonment. No petition fee is required. STATEMENT OF RICHARD H. ANDERSON

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

I, Richard H. Anderson, hereby declare under penalty of perjury as follows:

1. I am an attorney at the law firm of Marshall, Gerstein & Borun LLP ("MGB") in Chicago, Illinois, and am a registered practitioner before the United States Patent and Trademark Office (the "USPTO") with a Registration Number of 26,526.

2. I am the practitioner responsible for prosecuting the above-referenced application (the "application").

3. I received a Notice of Abandonment (the "Notice") in this application. The Notice was mailed on August 23, 2005 for failure to timely pay the required issue fee and publication fee.

4. However, neither I, nor anyone at our firm received the notice of allowance which was allegedly mailed by the Patent Office on February 9, 2005. I learned of the mailing of the notice of allowance only after I checked the PAIR's database for this application after I received the Notice of Abandonment.

5. The original notice of allowance was allegedly mailed on February 9, 2005. A copy of my law firm's intake log for all papers received from the USPTO for February 2005 through May 2005 is attached to the accompanying REQUEST FOR REMAILING OF THE NOTICE OF ALLOWANCE as Exhibit "B." This log indicates that no papers for Application No. 10/612,652 were received during this time period.

6. A copy of my entire firm's docket for February 2005 throughout May 2005 also attached to the accompanying REQUEST FOR REMAILING OF THE NOTICE OF ALLOWANCE, are enclosed herewith as Exhibit "C."

7. A copy of the docketing records for application file 30552/38911A (U.S. Patent Application Number 10/612,652) is also attached to the accompanying REQUEST FOR REMAILING OF THE NOTICE OF ALLOWANCE, enclosed as Exhibit "D."

8. As clearly shown from Exhibits B - D, the notice of allowance was never received by me or any employee of this firm and must be deemed lost without any penalty to the applicant.

I solemnly affirm under penalty of perjury that the foregoing statements are true to the best of my knowledge and belief.

Dated: September 12, 2005

Respond to the Notice of Abandonment by one of the following:

- 1. Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I and 37 CFR § 1.181) No fee required**

Where an applicant contends that the application is not in fact abandoned (e.g., a reply was in fact filed), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181 to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f). In order for a petition to be granted, the evidence must be sufficient according to 37 CFR § 1.8(b) Certificate of Mailing, 37 CFR § 1.10 "Express Mail" mailing or MPEP 503 Postcard Receipt as Prima Facie Evidence. The petition should be addressed as follows:

By mail: Mail Stop: Issue Fee, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

- 2. Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (MPEP 711.03(c) II and 37 CFR § 1.181). No fee required**

Where an applicant contends that the original Notice of Allowance and Fee(s) Due was never received, if adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows:

By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

- 3. Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)**

Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) or (b) (accompanied by the appropriate petition fee) is necessary to revive the abandoned application. The text of these rules is available on the USPTO Internet Web site. Forms for these petitions, "Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a)," PTO/SB/61, and "Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)," PTO/SB/64, are available in the forms section of the USPTO website: <http://www.uspto.gov>.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:

By mail: Mail Stop Petition, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450
By facsimile: 703-872-9306

Note: Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment
